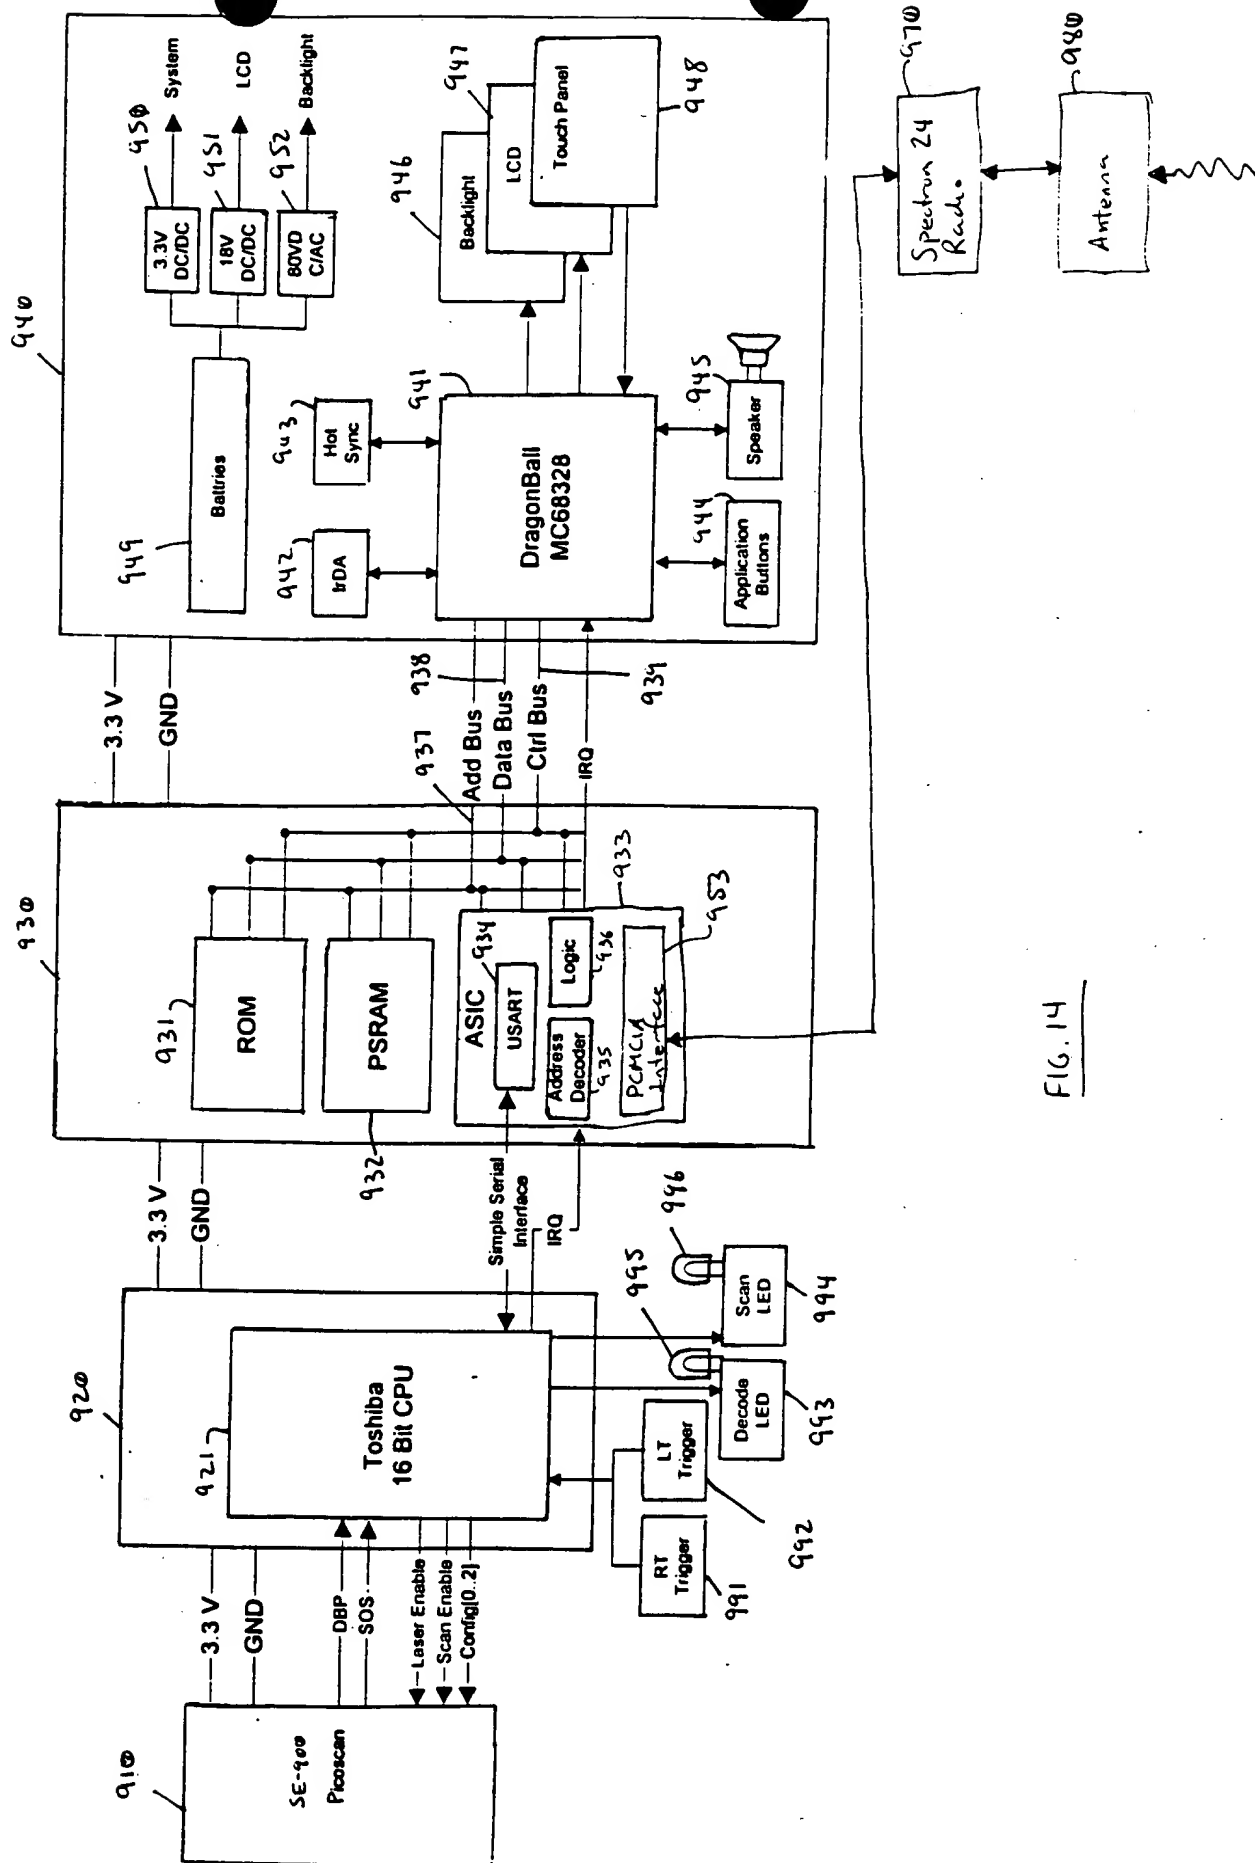

FIG. 14

A diagram illustrating a connection between a mobile phone and a multi-line office phone system. On the left, a mobile phone is shown with a cord extending from its top. An arrow points from this cord to a multi-line office phone system on the right. The office phone system consists of a base unit with four individual handset cradles. An arrow points from the mobile phone's cord to the top of the base unit. Below the office phone system, there is a label consisting of the Greek letter  $\Phi$  followed by the number 1000, enclosed in a rectangular box.
